

1. Introduction

- 1.1 Lyndon Scaffolding plc is a specialist contract scaffolding and access provider to UK business.
- 1.2 The Directors recognises that successful safety, health, environmental and quality management (SHEQ) is as important as any other aspect of the company's activities, and is fundamental to the continuing success and development of the business.

2. Policy commitments and objectives

- 2.1 Ensure that our SHEQ performance consistently exceeds the expectations of our stakeholders.
- 2.2 Provide adequate financial and physical resources to establish, document, implement, maintain and communicate an effective and efficient management system that is suitable for the business and its stakeholders.
- 2.3 Comply with all relevant legislation, recognised standards and agreed stakeholder requirements.
- 2.4 Eliminate hazards, provide safe and healthy working conditions to minimise the risks arising from our activities and prevent injury and ill health.
- 2.5 Protect the environment by preventing pollution and minimising the environmental impact from our activities.
- 2.6 Consult with stakeholders on relevant issues.
- 2.7 Continual improvement of the management system to enhance its performance by setting objectives and key performance indicators that are relevant and have a positive benefit on the business.
- 2.8 Monitor and periodically review the effectiveness of the management system to ensure it remains suitable for the business and our stakeholders.
- 2.9 This policy will be reviewed annually, when circumstances indicate a change is needed or when legislation is introduced that necessitates change.
