Brand Energy & Infrastructure Services UK, Ltd. trading as Lyndon SGB and Taylor's Hoists for Commercial Services in the UK, are a supplier of access services and products to UK industry.

The business considers that our Safety, Health, Environmental and Quality (SHEQ) performance is as important as any other aspect of the company's activities, and it is fundamental to how we do business and to the continuing success and development of the business.

Our SHEQ performance is a core value and as such is an integral part of everything that we do.

In support, the business has made the following commitments to:

- › Fulfil our legal obligations and where applicable other mutually agreed obligations and or requirements.
- › Provide safe and healthy working conditions for the prevention of work-related injury and ill health.
- › Protect of the environment.
- › Prevent pollution.
- › Reduce our environmental impact.
- › Eliminate hazards.
- › Where hazards are present, to reduce the risk, to an acceptable level.
- › Set quantifiable SHEQ objectives and key performance indicators.
- › Monitor what we do.
- › Address SHEQ issues in a timely manner, that is relevant to the issue's potential.
- › Engage with and consult with workers and where applicable workers representatives to ensure their views are represented in the decision making process.
- › Ensure that workers and where applicable workers representatives are participations
- › Continual improvement of our management systems and what we do to enhance our SHEQ performance.

This policy will be reviewed annually, when circumstances indicate a change is needed or when legislation is introduced that necessitates change.
